

Speciality Products

**Industrial
 Quality
 Utility Step**

- A tried and tested Industrial quality double sided folding stepladder with a unique folding loop handrail.
- Deeply ribbed non-slip treads, double riveted.
- Compact enough to store in a car boot.
- Current HSE advice is not to use the top three treads on this type of stepladder- the handrail however allows this.
- Ideal for use in retail outlets.
- Can be used from both sides so ideal for use in narrow aisles.
- Originally designed for use by a major national utility company- conforms to BS2037:1994 Class 1 **INDUSTRIAL** grade.
- Maximum permissible load 175KG
- Height to top treads- 735mm, allowing comfortable access to most standard ceiling heights.
- Weight: Only 6KG
